Soon as my heart breaks
Soon as my mind starts telling me
That I've had enough
That I've given all I got to you

With nothing in return
Soon as my heart breaks
Soon as my soul
Stops aching for you

Then I'll be alright
Maybe I can sleep the night
Knowing that I'm free again
But how can I walk on

Knowing you're the only one I need
Can't you see me?
Soon as my heart breaks
Soon as I hide the tears I cry

That you will never know
Holding back the side of me
That longs to leave
But can't let go
And how can I move on?

Knowing your love is the one I need
Can't you see me?
'Cause if my heart breaks
I'll have to find the strength
