You better work

You better work, cover girl  
Work it girl, give a twirl  
Do your thing on the runway

Work, supermodel  
You better work it girl, all the world  
Wet your lips yeah, and smile to the camera

Work, turn to the left  
Work, now turn to the right  
Work, sacher chanter

Work, turn to the left  
Work, now turn to the right  
Work, sacher chanter

And it don't matter what you wear  
Doesn't matter what you wear  
They're checking out your savior fair  
Ooh, ooh, yeah  
And it don't matta what you do  
'Cause everything looks good on you

Supermodel

You better work, cover girl  
Work it girl, give a twirl  
Do your thing on the runway

Work, supermodel  
You better work it girl, all the world  
Wet your lips yeah, and smile to the camera

Work, turn to the left  
Work, now turn to the right  
Work, sacher chanter

Work, turn to the left  
Work, now turn to the right  
Work, sacher chanter

I see your picture everywhere  
See your picture everywhere  
A million dollar fairytale  
Ooh, ooh, ooh, yeah  
And when you walk into the room  
You had everybody's eyes on you

Supermodel

Linda, work from Naomi, she is fierce  
Christi, foxy lady out of sight  
Cindy, I can feel it, Claudia, set on the cover  
Nicki, work that runway sweetie

I have one thing to say, "Sacher chanter, chanter,  
chanter  
Chanter, chanter, chanter"  
I have one thing to say, "Sacher chanter, chanter,  
chanter  
Chanter, chanter, chanter", whoo

And it don't matter what you wear  
Doesn't matter what you wear  
They're checking out your savior fair  
Ooh, ooh, ooh yeah

And it don't matter what you do  
Doesn't matter what you do  
'Cause everything looks good on you

Supermodel

You better work, cover girl  
Work it girl, give a twirl  
Do your thing on the runway

Work, supermodel  
You better work it girl, all the world  
Wet your lips yeah, and smile to the camera

Work, turn to the left  
Work, now turn to the right  
Work, sacher chanter

Work, turn to the left  
Work, now turn to the right  
Work, sacher chanter

You better work  
Oh yeah

Work  
Come on there  
Work  
Give it up  
Supermodel  
Work, work, work

I have one thing to say, "You better work"
