Yo, Tim, Yo, Bob
We had to do it, man
Yeah, we got to praise God
While we got the chance

I'm gonna praise God while I got the chance
Watch me while I do my dance
When I think of You, got to clap my hands, clap my
hands
I'm gonna praise God while I got the chance
Watch me while I do my dance
This one's for You, got to clap my hands, clap my
hands

Excuse me while I praise Him
I might look crazy to you
But this is the way that I express myself
He's the one that saved me
From this cruel world that's crazy
And now my mind is somewhere else in Him

I'm gonna praise God while I got the chance
Watch me while I do my dance
When I think of You, got to clap my hands, clap my
hands
I'm gonna praise God while I got the chance
Watch me while I do my dance
This one's for You, got to clap my hands, clap my
hands

I'm a leader by example
Got love for all my people
And we got to give it up to Him
See, this whip that I am driving
These clothes that I am rocking and the ice
It all belongs to Him, not me

You've done so much, much for me
I'm gon' clap and move my feet
Let them talk about me, it's all good You set me free
I'm so blessed just to breathe, walk around and just

believe
Just look what faith can do for you

I'm gonna praise God while I got the chance
Watch me while I do my dance
When I think of You, got to clap my hands, clap my hands
I'm gonna praise God while I got the chance
Watch me while I do my dance
This one's for You, got to clap my hands, clap my hands

I'm gonna praise God while I got the chance
Watch me while I do my dance
When I think of You, got to clap my hands, clap my hands
I'm gonna praise God while I got the chance
Watch me while I do my dance
This one's for You, got to clap my hands, clap my hands

Watch me, while I do my dance
I'm gonna praise Him while I can
I can't sit down on this jam
Got to clap my hands, clap my hands

Thank You for the air I breathe
Simple things You set me free
Through faith I feel You moving me
Got to clap my hands, clap my hands

Done so much, much for me
I'm gone clap and move my feet
Let them talk about me, it's all good You set me free
I'm so blessed just to breathe, walk around and just believe
Just look what faith can do for you

I'm gonna praise God while I got the chance
Watch me while I do my dance
When I think of You, got to clap my hands, clap my hands
I'm gonna praise God while I got the chance
Watch me while I do my dance
This one's for You, got to clap my hands, clap my hands

I'm gonna praise God while I got the chance
Watch me while I do my dance
When I think of You, got to clap my hands, clap my hands

I'm gonna praise God while I got the chance
Watch me while I do my dance
This one's for You, got to clap my hands, clap my
hands

I'm gonna praise God while I got the chance
Watch me while I do my dance
When I think of You, got to clap my hands, clap my
hands

I'm gonna praise God while I got the chance
Watch me while I do my dance
This one's for You, got to clap my hands, clap my
hands
