"Crossroads"
(feat. Lady Life)

[Lady Life:]
I'm Putting You On The Map Right(Yeah)
Yeah It's Official
Pastor D Lady Life
We Back At The Crossroads
What You Gon Do
Which Path Are You Gon Choose

[Chorus:]
Where Did You Lose Your Faith
And Why Did You Walk Away
Gained The World
Now Was It Worth Your Soul?
Now You're Standing At The Crossroads

[Verse:]
Be The Things You Gave The World
All The Benjamins And Girls
Thought You Had Everything In Your Hands
But What About The Master's Plan
For The Fortune And Fame
You Gave Up Your Faith
Now Was It Worth The Sacrifice
For You To Lose Your Life

[Bridge:]
Take My Hand Let Me Lead The Way
Let Me Lead You To A Brighter Day
I Know You Think Nobody Knows
But You're Standing At The Crossroads

[Chorus:]
Where Did You Lose Your Faith
And Why Did You Walk Away
Gained The World
Now Was It Worth Your Soul?
Now You're Standing At The Crossroads

[Verse:]

Walking 'round Empty Inside
From The Pain You Try To Hide
Deep Down It's Misery
And You Think That He Can't See
But God Understands
Won't You Take My Hand
You Don't Have To Hurt No More
God Is Knocking At Your Door

[Bridge:]

Take My Hand Let Me Lead The Way
Let Me Lead You To A Brighter Day
I Know You Think Nobody Knows
But You're Standing At The Crossroads

[Rap:]

Yeah...Okay...At Some Point We All Come To These
Crossroads
I'm At These Crossroads Man
Trying To Make A Decision
Contemplating My Paths
Taking The Way That I'm Living
Steadily Repenting Cause I'm Really Just Trying To Stay
Sved
Change My Ways
Haters Wanna Send Me Straight To The Grave
But I Ain't Having It
I Done Made Up My Mind
I'm Heading For The Straight And Narrow
Steady Ready To Grind
Ready To Shine
Cause The Life Is Back Again
Ain't Gonna Be No Sucker For Sin
When You're Down With Him

Lost Your Faith
And You Walked Away
Was It Worth Your Soul
Now You're Standing At The Crossroads
