(Chorus) For those who dont me Im.... Deitrick Haddon.
When you see hear me on the radio, Deitrick Haddon.
When you see me on TV Deitrick Haddon. On the cover
of my CD. Deitrick Haddon.

But when I'm at home Im just DD. That is what they call
me DD.

My wife always call me Baby. And Im a real boy let me
be me.

Im just a normal guy, from da hood. Tryin to get my
point across be understood.

I would never stop singing if I could. Cuz the God I
serve has been too good.

I just wanna keep it, keep it real. And I cant tell nothin I
dont feel.

Take this journey with me, for a while. We gon laugh we
gon cry we gon smile.

(Chorus)

All my brothers and sisters say DD. Those who know me
back in the day DD.

Grandmama still call me her baby. And I'm a real boy
let me be me!

I was just a little boy had a dream. That I would sing in
the presence of the King.

And spread the love of Jesus Christ, and watch his
power change peoples lives.

Since Im older thigs haven't changed, my goal is pretty
much the same.

Had to go through some heartaches and pain. But Im
doin it in Jesus' name.

(Chorus)

Ill always be DD. My family and friends call me DD.

Mama still think Im her baby. And I'm a real boy let me
be!

(Bridge)

The only way I know how to be is myself. And I dont try
to be like somebody else.

God created all of us to be one of a kind.

I cant take whats yours and you cant take whats mine!

Ohh. Ohhh oh ohh. OH. Ohh. (Repeat)

(Chorus)

And you cant change me DD. Cuz Im just plain old DD.
My wife always calls me DD.

DD. DD. DD. DD. Baby. (Repeat Fade)
