Don't go, Don't go.... I love you so...(x2)

**Verse 1**

You said don't walk out the door  
(Don't go, Don't go)  
slammed that door in your face  
(I love you so)  
I took advantage of your love  
(Don't go, Don't go)  
Now I'm man enough to pay, yeah, Won't you take me  
back?

**Chorus**

I remember when you said,  
Don't go, Don't go  
And I wanna come home 'cause  
I love you so  
I remember when you said,  
Don't go, Don't go  
And I learned my lesson, I wanna come home

**Verse 2**

Now every time I think about you  
(Don't go, Don't go)  
And where I'm at in my life  
(I love you so)  
I'm in this position  
(Don't go, Don't go)  
All because of my pride, (ooh ooh whew hmm)

**Bridge**

You told me never run away  
And what did I do, I ran away  
I found out no one loves you out her in this cold world  
But now I'm back and begging on bended knees and  
crying  
I'm out of tears so I'll say, talk me back

### Chorus

I remember when you said,  
Don't go, Don't go  
And I wanna come home 'cause  
I love you so  
I remember when you said,  
Don't go, Don't go  
And I learned my lesson, I wanna come home

### Bridge

You told me never run away  
And what did I do, I ran away  
I found out no one loves you out here in this cold world  
But now I'm back and begging on bended knees and  
crying  
I'm out of tears so I'll say, talk me back

### Chorus

I remember when you said,  
Don't go, Don't go  
And I wanna come home 'cause  
I love you so  
I remember when you said,  
Don't go, Don't go  
And I learned my lesson, I wanna come home

### Verse 2

Now every time I think about you  
(Don't go, Don't go)  
And where I'm at in my life

All because of my pride, (ooh ooh whew hmm)

I remember when you said,  
Don't go, Don't go

I love you so  
I remember when you said,  
Don't go, Don't go  
And I learned my lesson, I wanna come home.
