Deitrick:Ladies!

Girls:

Everytime I feel the spirit moving in my heart

I'm gonna praise

I'll clap my hands and stomp my feet

Now watch me praise him to this beat

Deitrick:Fellas!

Boys:

Everytime I feel it moving in my heart

I'm gonna praise

I'll clap my hands and stomp my feet

Now watch me praise him to this beat

Deitrick:

Who are you to tell me that I can't praise

Cause I been through the storm and the rain

Never thought that I would make it this far

There's a praise down in my heart

Ladies

Everytime I feel the spirit moving in my heart

I'm gonna praise

I'll clap my hands and stomp my feet

Now watch me praise him to this beat

Fellas!

Everytime I feel it moving in my heart

I'm gonna praise

I'll clap my hands and stomp my feet

Now watch me praise him to this beat

I will praise him every day of my life

And praising him makes me feel alright

And I can feel him from my head to my toes

And his love is deep down in my soul

Ladies!

Everytime I feel the spirit moving in my heart

I'm gonna praise

I'll clap my hands and stomp my feet

Now watch me praise him to this beat

Fellas!
Everytime I feel it moving in my heart
I'm gonna praise
I'll clap my hands and stomp my feet
Now watch me praise him to this beat

Left, right, left, right, back, forth C'mon

I can feel Him
Feel Him moving
Watch me praise Him
Watch me praise Him
