Da, da, da, da, da, da, hey

We gon' fight, ah
Whoo, gon' fight
Lemme hear you say

I'm fighting temptation, I'm fighting temptation
I'm fighting, fighting
Fighting temptation, I'm fighting temptation
I'm fighting, fighting

Fighting temptation, I'm fighting temptation
I'm fighting, fighting
Fighting temptation, I'm fighting temptation
I'm fighting, fighting

Ah, I'm tryin' to live a godly life, be lyin' if I say it ain't
hard
I can't even open my eyes 'cause everything is rated R
Can't believe what I'm seeing, I'm speechless
All I see is your booty and cleavage
You just tryin' to find my weakness
I'm determined to pass your test, yeah

Lemme hear you say

I'm fighting temptation, I'm fighting temptation
I'm fighting, fighting
Fighting temptation, I'm fighting temptation
I'm fighting, fighting

Fighting temptation, I'm fighting temptation
I'm fighting, fighting
Fighting temptation, I'm fighting temptation
I'm fighting, fighting

I, tryin' to be spirit lit
I ain't gon' let you in my head
And like a spider you are weaving your web
Tryin' to get a brother in your bed

You don't like it that I'm standin' tall

Oh, the reason why fake men fall
So put away your seducing lips
I know the devil's all in your kiss

Ah, ah, yeah
Lemme hear you say

I'm fighting temptation, I'm fighting temptation
I'm fighting, fighting
Fighting temptation, I'm fighting temptation
I'm fighting, fighting

Fighting temptation, I'm fighting temptation
I'm fighting, fighting
Fighting temptation, I'm fighting temptation
I'm fighting, fighting

Ah, on the pressure to make this money
This recession making things so hard
I don't wanna do nothin' illegal
Man, I gotta put my trust in God

Lord, I'm reaching out for help
I can't win the war by myself
Lord, I need little more patience
And more strength so I can fight temptations

Well, I, well I

Every time I turn around
I can see you tryin' to take me down
Tryin' to keep me bound
The anointing on my life just won't allow

You the trap maze, zap me, stop me, bloc me
God's got me in His hands
Somebody gon' stand and be the man
I refuse to run, yeah I'm the one
That's gonna get the job done, done son

Like David I'm gonna slay the giant
You know God's with me, you can't deny it
Tried your best to keep my quiet
What you sellin' I refuse to buy it

You might as well find someone else to lie with
Every disease you probably got it
Keep it to yourself 'cause I don't want it
No, I don't want it

We gon' fight

Hey

I'm fighting temptation, I'm fighting temptation
I'm fighting, fighting
Fighting temptation, I'm fighting temptation
I'm fighting, fighting

Fighting temptation, I'm fighting temptation
I'm fighting, fighting
Fighting temptation, I'm fighting temptation
I'm fighting, fighting

Fighting temptation
