Verse 1:

This is my story  
This is my song  
I'll be praising my savior  
All the day long  
I'll never worry  
I'll never fret  
Because he never failed me yet

Chorus:

He never failed me yet  
He never fails  
He never failed me yet  
He never fails  
He never failed me yet

Verse 2:

This is my story  
This is my song  
I'll be praising my savior  
All the day long  
(Solo: lift your voice and sing  
All: oh uh oh)  
How long must you carry this burden  
On your mind  
The lord is with you  
All the time

Chorus

(Modulate) Chorus

Piano interlude

Solo:

(Be) With you always (4ce)

All:

Always uh always

Chorus
