Heavenly Father, I stand before You with a broken spirit
on bended knees
And Lord, I'm tired of doing things my way and I
surrender my all to Thee

(Ooh)

Chorus:
Heavenly Father this is my prayer,
Draw me nearer
I feel Your spirit
I know You are there
Draw me nearer

Heavenly Father
Guide me on this road of life with your sweet grace
Light my pathway every single day as I try to seek Your
face

(Ooh)

Heavenly Father this is my prayer,
Draw me nearer
I feel Your spirit
I know You are there
Draw me nearer

(Repeat Chorus 3x)
