[Verse I]

Your day is someones night, your smile is someones cry

Even when you're happy, there is someone somewhere hurting

And though the sun fill your sky, tears fill someone elses eyes

Even though you're alright, there is someone lonely tonight. So...

[Chorus]

Help me Lord please to touch somebody
'Cause everybody needs to know they're loved
Touch me Lord please to help somebody
'Cause everybody needs to know they're loved

[Verse II]

Someone's full of sorrow, with no hope for tomorrow Searchin' for the answer, 'cause they have no one to follow

Make me an example, so I can lead them to You Let me be the pathway, with Your help I know they'll feel brand new

[Chorus]

Help me Lord please to touch somebody
'Cause everybody needs to know they're loved
Touch me Lord please to help somebody
'Cause everybody needs to know they're loved

[Bridge]

Somebody's losin' faith, fallin' away from grace Ooh Lord, take us to another place They're on the verge of lettin' go, You're about to lose a soul

Please hear my cry, touch me help me please

[Chorus - repeat until end]

Help me Lord please to touch somebody 'Cause everybody needs to know they're loved Touch me Lord please to help somebody

'Cause everybody needs to know they're loved
