verse 1

i've been watchin you and holdin you all of your life
even through wrong and right
but i'll still love you

hate to see you hurt goin through so much pain
it dont have to be this way
just let me love you

bridge
i can be the calm through your storm
i can be the way when your lost
i can be the smile when your down
just reach out for me im here

i can give you joy so sweet
that it would make your love for me so deep
just look up and close your eyes
just reach out for me (and i'll be here)

course

im the one
that your searchin for
but the question is
do you wanna be loved

i can ease the pain
i can stop the rain
but the question is
do you wanna be loved

verse 2

i'll come runnin (i'll come runnin)
