So incredible
Oh, it's raining
Oh, raining
Oh, it's raining
Oh, raining

Oh, it's raining
Oh, raining
Oh, it's raining
Oh, raining

Tossing and turning sleepless nights
I know I got to get it right
Searching for something
I know I need substance
But I ain't got no appetite

Umm, it's so cloudy, can't get clear
Man I need to change my atmosphere
I guess it's time for me to face my fears
Lord, tell me where do I go from here

Tears flowing down my face
Still won't wash the pain
And I just want to get away
Can somebody stop the rain?

You said if I called Your name
You would come and save the day
I'm just trying to find my way
Can somebody stop the rain?

Oh, it's raining
Oh, raining
Oh, it's raining
Oh, raining

Oh, it's raining
Oh, raining
Oh, it's raining
Oh, raining

I got a whole lot of questions, no conclusions
You making me search You out
And I'm going through the motions
Regaining my focus, seein' what you are all about

And on this journey through my soul
Things about you I have come to know
I relinquish all control
Lord, I'm soaking wet and I'm way too cold

Tears flowing down my face
Still won't wash the pain
And I just want to get away
Can somebody stop the rain?

You said if I called Your name
You would come and save the day
I'm just trying to find my way
Can somebody stop the rain?

Oh, it's raining
Oh, raining
Oh, it's raining
Oh, raining

Oh, it's raining
Oh, raining
Oh, it's raining
Oh, raining

When it rains, it pours
Don't wanna hurt no more
Will you comfort me
From my enemies?

And it's cold outside
I can no longer hide
Will you rescue me?
Come and set me free

Oh, it's raining
Oh, it's raining
Oh, it's raining, oh

Oh, it's raining
Oh, it's raining
Oh, it's raining
