Rain on me: Supernatural

Verse 1

Lord I stand before you, humbly as I know how
If ever I needed you, Lord I need you now
And I don't have greater words to say
But I know you hear my cry
& I can't hold back these tears, I don't even try

Only you know how to ease the pain
I feel so much better when I call your name

chorus

Rain on me, Rain on me
Let the power of the Holy Ghost rain [2x]

verse 2

I just have one question
Where do I go from here
The ones I used to depend on
Are no longer here
There are some things that I don't understand
I will wait right here, till you take my hand

Now there's a void only you can fill
Now here's your chance to let me know your real

Oh, oh, oh, let it rain
Let the power of the Holy Ghost rain
Fall on me, Fall on me
Let the power of the Holy Ghost rain

Oh, oh, oh, oh, oh [3x]
Let the power of the Holy Ghost rain
