You may be lame, maybe and you can't even walk
You can rise and be healed
Or you may be dumb, maybe and you can't even talk
Rise and be healed

Chorus
Rise and be healed oh
Rise and be healed
Rise and be healed oh
Rise and be healed
Rise and be healed

I don't care if the doctor said that it's too late
You can rise and be healed
You can be healed according to your faith
Rise and be healed

Chorus

(Bridge)
(You don't have to wait no longer)
You don't have to wait no longer be healed today
(Oh no)
You don't have to wait no longer be healed today
(Yeah)
You don't have to wait no longer be healed today
(Ohhh)
You don't have to wait no longer be healed today
(Just trust in the master)
You don't have to wait no longer be healed today
(Ohhh)
You don't have to wait no longer be healed today
(I trust you)
You don't have to wait no longer be healed today
(I don't care what the devil says)
You don't have to wait no longer be healed today
(Uh yeah)

Yeah yeah yeah yeah yeah
Rise and be healed
Repeat
