Glad you could make it
Now that I got you here
I gotta tell you how I feel
Yup
C'mon

You already know my feelings
Do I have to tell you again
And I ain't going nowhere
I need to you to know they can

[Bridge:]

Call my name whenever you need me
I'll be there if you just believe in me
Wanna be your bread when your hungry
Wanna be your water when your thirsty
A shoulder you can cry on
I'll never leave you alone

[Chorus:]

I wanna be I I wanna be right there where you are
I wanna I I wanna be right there right there right there.
Trust in me and I will be
I wanna be right there where you are
I wanna I I wanna be right there right there right there.

I been watching you go in circles.
And I been patiently waiting here.
And loving you through it all
But I don't think you hear my clear

[Bridge:]

Call my name whenever you need me
I'll be there if you just believe in me
Wanna be your bread when your hungry
Wanna be your water when your thirsty
A shoulder you can cry on
I'll never leave you alone

[Chorus:]

I wanna be I I wanna be right there where you are

I wanna I I wanna be right there right there right there.
Trust in me and I will be
I wanna be right there where you are
I wanna I I wanna be right there right there right there.
