You know it seems like forever
When you're waiting on your blessing
And trusting in God's word
Sometimes comes when testing

I refuse to lose my faith along the way
So I'll encourage myself
And say

I won't stop praying
Until you come through, again
I won't stop praying
Until you come through

Ye that waiteth on the Lord
Said their strength shall be renewed
God ain't gonna let you down, no
He will do just what he said he'll do

And your neighbor is not [Incomprehensible]
Things are gonna change
I believe in God

(And I won't stop praying)
I won't stop praying
God is not a man that he shall not
His word is gonna come to pass
Even though days gone by
You've gotta keep holding on

Even if you have to cry sometimes
The night is almost over, yeah eh
I can see the morning light, yeah eh

I won't stop praying
(Til you come through)
I won't and I won't and I won't
And I won't stop

Won't stop praying
Won't stop praying
Won't stop praying

Won't stop praying
I won't stop praying
Until you come through
