If you're my friend
Stay right by my side
Show me somethin' good
At the end of the line

If you're the one
Look into my eyes
Show me somethin' good
At the end of the line

I've been walkin' over
The bridges that burn
You keep talkin' but you
Don't say a word

If you're my friend
Stay right by my side
Show me somethin' good
At the end of the line

I've been walkin' over
Bridges that burn
You keep talkin' but you
Ain't said a word

I don't want to see with someone else
I don't want to see you alone
Did you heart deceive you?
Did you open up, just to let me go?

In the end
Will your star still shine?
Show me somethin' good
At the end of the line

When darkness ends
Will you be my light?
Show me somethin' good
At the end of the line

I've been walkin' over
The bridges that burn

You keep talkin' but you
Don't say a word

If you're my friend
Stay right by my side
Show me somethin' good
At the end of the line, end of the line
