What these walls can hold,  
You would be amazed.  
You can take my word,  
For what it's worth.  
But, once these doors are closed,  
You are here to stay.  
I hope forever's not too long.

I can see it now.  
Try and live it now.  
You won't be hard to find.

I've been here too long,  
Suffering in vain.  
You will never need to walk alone.  
But for here and now,  
I am here to stay.  
You should love to play along.

I can see it now.  
Try and live it now.  
You won't be hard to find.

You are to see, what I can see.  
You are to see, what I can see.

I can see it now.  
Try and live it now.

You know that,  
I can see it now.  
You just,  
Try and live it now.

You won't be hard to find.  
(You won't be hard to find).  
You won't be hard to find.
