I don't think I trust you anymore.  
The way you keep on looking at the door.  
I know it's getting harder to resist.  
Never thought you'd give it up like this.

It's just another day.  
Another change to walk away.

I don't think I trust you anymore.  
The way you keep on looking at the door.  
I know it's getting harder to resist.  
Never thought you'd give it up like this.

It's just another day.  
Another change to walk away.

It's just another day.  
Another change to walk away.

Do you still need, what you thought you left behind.  
Is it all my fault, that we're right back here again.  
Can you still see, what you thought you learned to hide.  
Will you close your eyes, when it's smarter to pretend.

It's just another day.  
Another change to walk away. x4

I don't think I trust you anymore. x3
