Ohhhh, I was lying in the bed with fever  
And I was, burning up inside  
My baby walked, in my bedroom  
And I could hardly open my eyes

She said that she was going to the pawnshop  
Just across the track  
She started packing some clothes in a hurry  
And then she said she would be right back

But I ain't seen hide 'nor hair of my baby, since that  
day, yeah  
Well I ain't seen hide 'nor hair of my baby, since she  
went away  
I remember so well when she slammed the door  
But the girl didn't make it back no more  
I ain't seen hide 'nor hair of my baby, since that day

Well, I waited for 24 hours, and I was just about to  
starve to death  
It didn't look like she was comin' back, so I had to look  
out for myself  
Well I called, the police department, to find out what  
they knew  
They said, "No, by heck, but we will get her yet",  
because they was lookin' for her too

Well I ain't seen hide 'nor hair of my baby, since that  
day, yeah

Well I ain't seen hide 'nor hair of my baby, since she  
went away  
Well I don't know what happened a-cross the track  
But I know my baby didn't make it back  
I ain't seen hide 'nor hair of my baby, since that day

(instrumental break)

Well I called, my Dr. Foster, and when the girl answered  
the phone  
I got a funny feeling, the way she said Dr. Foster had  
gone

She said, "He left with a lady patient, about 24 hours ago"

I added two and two, and here's what I got: I got I'll never see that girl no more

Well I ain't seen hide 'nor hair of my baby, since that day, yeah

But I ain't seen hide 'nor hair of my baby, since she went away

If Dr. Foster has got her, then I know I'm through

Because he's got medicine and, money too

I ain't seen hide 'nor hair of my baby, since that day

Whoaah, no
