I live on a battle field
Surrounded by the ruins of the love we built
And then destroyed between us
The smoke has cleared
As I stumble through the rubble
IÂ'm a dazed seeing double
And IÂ'm a truly mystified

My new home
Has a shallow feel
With tears and muddy waters
And bits of broken heart
All around
There is desolation
Scenes of a devastation
Of love been torn apart
I live on a battlefield
I live on a battlefield

I live on a battlefield
The one wear not one single drop of blood has spilled
Is no less a horrifying
Sweet memories memories
Of a bygone situation
And now shattered lord and battered
Lives scattered around

My new home
Has a shallow feel
With tears and muddy waters
And bits of broken heart

All around
There is desolation
Scenes of devastation
Of love been torn apart

I live on a battlefield

My new home
Is a shallow feel
With tears and muddy waters

And bits of broken heart
All around
There is desolation
Scenes of devastation
Of love been torn apart

I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
I live on a battlefield
