Her Daddy had the money? All the milk and honey?she  
never had to pay any dues  
Don't know what her name is?but man she sure is  
famous?she keeps herself all over the news  
They're playing close attention?the new Inside Edition?  
Is feeding all they can to her fans  
She's got the paparazzi?behind her Macerate?Their  
snapping off as much as they can

I say why, why, why has it got be such a big deal?  
We try, try, try?I've come to the conclusion.. we're living  
an illusion.. better off just Keeping it real  
Better off keeping it real

She got a brand new movie..bout giving up the bootie?  
she showed it all and nobody cared  
And made her such a mess..when she didn't get the  
press so she went and cut off all her hair

I said why, why, why haS it got to be such a big deal?  
We try, try, try?I've come to the conclusion.. we're living  
an illusion.. better off just Keeping it real  
Better off keeping it real

[Harmonica solo]

I said why, why, why haS it got to be such a big deal?  
We try, try, try?I've come to the conclusion.. we're living  
an illusion.. better off just Keeping it real  
Better off keeping it real

He said he didn't do it.. they couldn't hold him to it?he  
smiled and walked away a free man  
The glove didn't fit him? the jury said acquit him? It all  
worked out the way that he planned  
But he Couldn't live without it?he wrote a book about it..  
yea everything he did that night  
They didn't get him for the crimeå¼ut he's gonna do  
the time?cause he's got to get back in the spotlight  
I said why, why, why haS it got to be such a big deal?  
We try, try, try?I've come to the conclusion.. we're living

an illusion.. better off just Keeping it real  
I've come to the conclusion.. We're living an illusion..  
better off just Keeping it real  
Better off keeping it real  
Oh we're better off just keeping it real
