### "Woman's Got To Have It"

(feat. Elliott Yamin)

*[Taylor:]* (Fella's I wonder would you mind if I talked to ya for a minute.

You know, sometimes we have a tendencies, or should I say we forget, what a woman needs every now and then.

That is if you wanna keep your thing together. Listen to me now)

Do the things that keeps the smile on her face  
Say the things that make her feel better everyday.  
Then you got to stay on your p's and q's. If you don't,  
the woman you can easy lose.

Whoa oa oa I, Oh I had a love, a love and I lost her, and  
no one can help me share the pain that she caused me.  
Ohhh, a woman's gotta have it, I believe, she's gotta  
know that she's needed around.  
When you kiss her, you gotta make her feel it,  
everytime boy, she wants to know that she's not walkin'  
on shakey ground. Ohhhh, yeah.

*[Elliott:]* Well, think it over.

*[Taylor:]* Think it over

*[Elliott:]* Think it over my brother. Don't take for granted  
the smile

*[Taylor and Elliott]* on her face.

*[Elliott:]* Check a little bit closer, you might find

*[Taylor and Elliott]* a tear trace.

*[Elliott:]* Maybe the girl might never say a

*[Taylor and Elliott]* mumbling word,

*[Elliott:]* but you gotta make sure that her voice is  
heard.

*[Taylor:]* Whoa Ohhh Ohhh I had a love,
