Hayley Save Me
(Original song dedicated to Hayley Williams of
Paramore)

Got your start on a video game
At least that's how I first heard your name
I don't have a crushcrushcrush on you
But my boyfriend thinks I do

Rock and roll is starting new
Letting girls sing just like you
I told all my best best friends about you
And my boyfriend likes you too

When it rains and when it pours
I listen to Paramore
In the streets and in the stores
I listen to Paramore

Play a song for me, come out to my highschool
They don't have a stage here but we listen to you daily
This is an emergency, save my popularity
Dye my hair hot orange just to look as cool as Hayley

Hayley save me
I wanna look as cool as Hayley
Hayley save me

Stuck in school from eight to three
Sleeping through geometry
History's a big conspiracy
And I can't wait to break free

When it rains and when it pours
I listen to Paramore
In the streets and in the stores
I listen to Paramore

Play a song for me, come out to my highschool
They don't have a stage here but we listen to you daily
This is an emergency, save my popularity

Dye my hair hot orange just to look as cool as Hayley

Hayley save me
I wanna look as cool as Hayley
Hayley save me
Save, save me

Rock and roll is starting new
Letting girls sing just like you...
