"Sing"

Visit "[Sing](#)" on MotoLyrics.com

I rise up in the morning
(Joy is there in the morning)
I stay awake through the midnight
(Hope is there in the midnight)

Sing, sing, sing Hosanna

When the mountains sing their praises
(I will sing all the louder)
Hear the tree as its voice raises
(I will lift my voice higher)

Sing, sing, sing Hosanna
Or the rocks will get to sing Hosanna
Or the trees will get to sing Hosanna
Or the rocks will get to sing Hosanna
Or the earth will get to sing
