You take a deep breath as you walk through the doors  
It's the morning of your very first day  
you say hi to your friends you ain't seen in a while  
Try and stay out of everybodys way  
its your freshman year and you're gonna be here  
for the next four years in this town  
hoping one of those senior boys will wink at you and  
say  
you know I havent seen you around , before

'Cause when youre fifteen and somebody tells you they  
love you  
you're gonna believe them  
and when youre fifteen  
feeling like there's nothing to figure out  
well count to ten, take it in  
this is life before you know who you're gonna be  
fifteen

You sit in class next to a redhead named Abigail  
and soon enough you're best friends  
laughing at the other girls who think they're so cool  
we'll be out of here as soon as we can  
and then you're on your very first date and he's got a  
car  
and you're feeling like flying  
and your mama's waiting up and you're thinkin' hes the  
one  
and you're dancing round your room when the night  
end  
when the night ends

[15 Lyrics On ]

'Cause when youre fifteen and somebody tells you they  
love you  
you're gonna believe them  
and when you're fifteen and your first kiss  
makes your head spin 'round but  
in your life you'll do things greater than dating the boy  
on the football team

I didnt know it at fifteen

When all you wanted was to be wanted  
wish you could go back and tell yourself what you know  
now

Back then I swore I was gonna marry him someday  
but I realized there are bigger dreams in life

when Abigail gave everything she had to a boy who  
changed his mind, we both cried

'Cause when you're fifteen and somebody tells you  
they love you you're gonna believe them.  
and when you're fifteen, dont forget to look before you  
fall

I've found that time can heal most anything  
and you just might find who you're supposed to be  
I didnt know who I was supposed to be at fifteen

La la la, la la la la la la la, La la la, la la la

Your very first day  
take a deep breath girl  
take a deep breath as you walk through the doors.
