I walked through the door with you, the air was cold
But something about it felt like home somehow
And I left my scarf there at your sister's house
And you still got it in your drawer, even now

Oh, your sweet disposition and my wide-eyed gaze
We're singing in the car getting lost upstate
Autumn leaves falling down like pieces into place
And I can picture it after all these days

And I know it's long gone
And that magic's not here no more
And I might be okay
But I'm not fine at all

'Cause there we are again, on that little town street
You almost ran the red 'cause you were looking over me
Wind in my hair, I was there, I remember it all too well

Photo album on the counter, your cheeks were turning red
You used to be a little kid with glasses in a twin-size bed
Your mother's telling stories about you on the tee ball team
You tell me about your past, thinking your future was me

And I know it's long gone
And there's nothing else I could do
And I forget about you long enough
To forget why I needed to

'Cause there we are again, in the middle of the night
We're dancing around the kitchen in the refrigerator light
Down the stairs, I was there, I remember it all too well

And maybe we got lost in translation, maybe I asked for too much
But maybe this thing was a masterpiece 'til you tore it all up
Running scared, I was there, I remember it all too well

And you call me up again just to break me like a promise
So casually cruel in the name of being honest
I'm a crumpled up piece of paper lying here
'Cause I remember it all, all, all too well

Time won't fly, it's like I'm paralyzed by it
I'd like to be my old self again, but I'm still trying to find it
After plaid shirt days and nights when you made me your own
Now you mail back my things and I walk home alone

But you keep my old scarf from that very first week
'Cause it reminds you of innocence and it smells like me
You can't get rid of it 'cause you remember it all too well, yeah

'Cause there we are again, when I loved you so
Back before you lost the one real thing you've ever known
It was rare, I was there, I remember it all too well

Wind in my hair, you were there, you remember it all
Down the stairs, you were there, you remember it all
It was rare, I was there, I remember it all too well
