Angelina's got a pretty face
And really long brown hair
Lives somewhere in some wide open space
I've never been there
I guess some people come and purpose she
But I don't cause

I have always been a bit reckless
And I am not your typical princess
I'm fine just a bit of a mess
And I'm not perfect you could say
I wasn't brought up that way
Just watched Stephen run across the field

Watched him catch the ball
He's got everything you'd wanna be
He's funny, dark and tall

Watch him run across to Angelina
But I won't cause

I have always been a bit reckless
And I am not your typical princess
I'm fine just a bit of a mess

And I'm not perfect you could say
I wasn't brought up that way
Stardom pushed across the line
Tripped over my two feet hey oh yeah
But ain't it funny how

It all comes out
Isn't life sweet?

I have always been a bit reckless
And I am not your typical princess

I'm fine just a bit of a mess

And I'm not perfect you could say
Oh
I have always been a bit reckless
And I am not your typical princess
I'm fine just a bit of a mess
And I'm not, I'm not oh
And I'm not perfect you could say
I wasn't brought up that way
