Nick: Yeah!!!

Miley: Woah!!

I know this isn't what I wanted
I never thought it'd come this far
Just thinking back to where we started
and how we lost all that we are

Nick: We were young and times were easy
But I could see it's not the same
I'm standing here but you don't see me
I'd give it all for that to change
And I don't want to lose her
I don't wanna let her go

Both: Standing out in the rain
Need to know if it's over
'cause I will leave you alone
Flooded with all this pain,
Knowing that i'll never hold her,
Like I did before the storm

Miley: Before the storm

Nick: With every strike of lightning
Miley: Comes a memory that lasts

Both: Not a word is left unspoken,
as the thunder starts to crash

Miley: Maybe I should give up
Miley & Nick: I'm standing out in the rain,
I need to know if its over,
cause I will leave you alone.
Flooded with all this pain,
Knowing that i'll never hold her,
Like I did before the storm

Miley: Trying to keep the light from going in

Nick & Miley: And the clouds from ripping out my

broken heart.

We always say a heart is not whole without the one,
who gets you through the storm.

Standing out in the rain, knowing that it's really over
Please don't leave me alone, flooded with all this pain,
knowing that i'll never hold you, like I did before the
storm

Miley: yeah

Nick & Miley: Like a did before the storm
