Your on the phone
With your girlfriend she's upset
She's going off about something that you said
She doesn't get your humor like I do

I'm in the room
It's a typical Tuesday night
I'm listening to the kind of music she doesn't like
And she'll never know your story like I do

But she wears short skirts
I wear t-shirts
She's cheer captain and I'm on the bleachers
Dreaming 'bout the day when you wake up and find
That what you're looking for
Has been here the whole time

If you could see that
I'm the one who understands you
Been here all along
So why can't you see...
You belong with me...
You belong with me...

Walk in the streets
With you and your worn-out jeans
I can't help thinking this is how it ought to be
Laughing on the park bench thinkin' to myself
Hey isn't this easy..

And you've got a smile
That could light up this whole town
I haven't seen it in a while
Since she brought you down
You say you're fine
I know you're better than that
Hey what you're doing with a girl like that

She wears high heels
I wear sneakers
She's cheer captain
And I'm on the bleachers

Dreaming 'bout the day
When you wake up and find

That what your looking for
Has been here the whole time

If you could see that I'm the one
Who understands you
Been here all along so why can't you see...
You belong with me..

Standing by and waiting at your backdoor
All this time how could you not of known
Baby.. you belong with me..
You belong with me...

Oh.. I remember you drive into my house
In the middle of the night
I'm the one that makes you laugh
When you know 'bout to cry
I know your favourite song
And you tell me 'bout your dreams
Think I know where you belong
Think I know its with me

Cant you see that I'm the one
Who understands you
Been here all along
So why cant you see..
You belong with me...

Standing by and waiting at your backdoor
All this time how could you not of known
Baby.. you belong with me..

You belong with me

You belong with me

Have you ever thought just maybe...
You belong with me...

You belong with me..
