Any day now
They're talking war
I can see the look
That's in your eyes
They're not talkin'
A week or two
Oh, daddy
Can I go with you?
Oh, daddy
Can I go with you?

You pack a suitcase
And take a picture
From the wall
I always knew
This time would come
When I ask how long
You think
You're gonna be
You say
"Eh, this crazy world's
Come undone"

Summer's over
And leaves begin

To fall
And another winter's
On the way
I knew
I wasn't gonna take
This very well
But I'd give everything
To have you here today

Everyday now
They're talking war
I know
This time has been
Like it's never
Been before
We're not talking

About a week or two
Oh, daddy
Can I go with you?
Oh, daddy
Can I go with you?
Oh, daddy
Can I go with you?
