So you're sorry
that face of an angel
comes out just when you need it to
and that face back in and forth all this time
because I honestly believed in you
holding on
and days track on
stupid girl,
I should have known, I should have known
I am not a princess, this ain't a fairy tale
i'm not the one you'll sweep off her feet
lead her up the stair well
this ain't hollywood, this is a small town
i was a dreamer before you
and i let me down
now it's too late for you and your white horse to come
around

Baby I was naive,
and lost in your eyes
and never really had a chance
I had so many dreams
about you and me
happy endings
now I know
I am not a princess, this ain't a fairy tale
i'm not the one you'll sweep off her feet
lead her up the stair well
this ain't hollywood, this is a small town
i was a dreamer before you
and i let me down
now it's too late for you and your white horse to come
around

and you're here at my door
begging for forgiveness
begging for me just like i always wanted
but i'm so sorry

cause i'm not your princess this ain't a fairytale
i'm gonna find someone somewhere who might

actually treat me well
this is a big world and that was a small town
there in my rear view disappearing now
and it's too late for you and your white horse
it's too late for you and your white horse
catch me now
try and catch me now
it's too late to catch me now.
