And it's a sad picture
The final blow hits you
Somebody else gets
What you wanted again
You know it's all the same
Another time and place
Repeating history
And you're getting sick of it

But I believe in whatever you do
And I'll do anything to see it through
Because these things will change

Can you feel it now?
These walls that they put up
To hold us back
Will fall down
It's a revolution
The time will come for us to finally win
We'll sing hallelujah
We'll sing hallelujah, oh

So we've been outnumbered
Raided and now cornered
It's hard to fight
When the fight ain't fair

We're getting stronger now
Found things they never found
They might be bigger
But we're faster and never scared

You can walk away
Say we don't need this
But there's something in your eyes
Says we can beat this
'Cause these things will change

Can you feel it now?
These walls that they put up
To hold us back
Will fall down

It's a revolution
The time will come for us to finally win
We'll sing hallelujah
We'll sing hallelujah, oh

Tonight we'll stand and get off our knees
Fight for what we've worked for
All these years
The battle was long
It was the fight of our lives
But we'll stand up, champions tonight
It was the night things changed

Can you see it now?
The walls that they put up
To hold us back
Fell down
It's a revolution
Throw your hands up
'Cause we never gave in
We'll sing hallelujah
We sang hallelujah
Hallelujah
