Oooo Chaperone Dads
(I mastered the tambourine)

Ooooooo

You just got off of work,
The last thing you do
is wanna do is go and
listen to me

talk about some break up
(Chaperone Dads)

You're doing the right thing
(Ooo Chaperone Dads)

]

Remember when the tickets went on sale,
Your daughters 14th birthday
And you got her two tickets.

And she said can I have some more
Cause my friends and I all wanna go Dad,
You don't have to go
but you know you gotta go
and Chaperone dads
