Daddy,  
I want you to know  
How my heart aches with your loss  
First your Father  
Now your Mother  
Life's most precious treasure  
?Parents?  
Though they are no longer  
With you on this earth  
They will forever  
Live in the hearts  
Of all who loved them

I may not be right next to you  
To tell you how much ?I love you?  
I may not be right next to you  
To give you a ?Hug? of comfort

Distance is a factor in our relationship  
But you are in my thoughts  
Everyday, from the moment I wake up  
You are in my thoughts  
You are in my heart  
And you are in my prayers

I can never replace  
The loss of my beloved grandparents  
But as your Daughter  
I will always be here for you  
I am but a phone call away  
And if you close your eyes and think of me  
?Daddy I'm right beside you?
