You take a deep breath and you walk through the doors
It's the morning of your very first day
You say hi to your friends you ain't seen in a while
Try and stay out of everybody's way
It's your freshman year and you're gonna be here
For the next four years in this town
Hoping one of those senior boys will wink at you and
say
You know I haven't seen you around, before

(Chorus)

'Cause when you're fifteen and
Somebody tells you they love you
You're gonna believe them
And when you're fifteen feeling like
There's nothing to figure out
But count to ten, take it in
This is life before you know
Who you're gonna be
Fifteen

You sit in a class next to a redheaded Abigail
And soon enough you're best friends
Laughing at the other girls
Who think they're so cool
We'll be out of here as soon as we can
And then you're on you're very first date
And he's got a car and you're feeling like flying
And you're mamma's waiting up and you're thinking
he's the one
And you're dancing 'round your room when the night
ends
When the night ends

(Chorus)

'Cause when you're fifteen and
Somebody tells you they love you
You're gonna believe them
When you're fifteen and your first kiss
Makes you head spin 'round but
In your life you'll do things greater
Than dating the boy on the football team

But I didn't know it at fifteen

When all you wanted
Was to be wanted
Wish you could go back
And tell yourself what you know now

Back then I swore I was gonna
Marry him someday
But I realized some bigger dreams of mine
And Abigail gave everything she had to a boy
Who changed his mind
And we both cried

(Chorus)
'Cause when you're fifteen and somebody tells you
they love you
You're gonna believe them
And when you're fifteen, don't forget to look before
you fall
I've found time can heal most anything
And you just might find who you're supposed to be
I didn't know who I was supposed to be
At fifteen

la la la la la...la la la la la...la la la la la

Your very first day
Take a deep breath girl
Take a deep breath as you walk through the doors
