"Forever & Always (Piano Version)"

Once upon a time
I believe it was a Tuesday when I caught your eye
And we caught onto something
I hold onto the night
You looked me in the eye and told me you loved me
Were you just kidding cause it seems to me
This thing is breaking down, we almost never speak
I don't feel welcome anymore
Baby, what happened, please tell me
Cause one second it was perfect
Now you're half way out the door

And I stare at the phone
He still hasn't called
And then you feel so low
You can't feel nothing at all
And you flashback to
When he said forever and always
Oh, and it rains in your bedroom
Everything is wrong
It rains when you're here
And it rains when you're gone
I was there when you said forever and always

Was I out of line?
Did I say something way too honest?
Made you run and hide like a scared little boy
I looked into your eyes
Thought I knew for a minute now I'm not so sure
So here's to everything coming down to nothing
Here's to silence that cuts me to the core
Where is this going?
Thought I knew for a minute but I don't anymore

And I stare at the phone
He still hasn't called
And then you feel so low
You can't feel nothing at all
And you flashback to
When he said forever and always

And it rains in your bedroom
Everything is wrong
It rains when you're here
And it rains when you're gone
I was there when you said forever and always

You didn't mean it baby
I don't this so, oh oh oh
Back up, baby back up
Did you forget everything?
Back up, baby back up
Did you forget everything?

Back up, baby back up
Please back up, oh back up
Back up, baby back up

Cause it rains in your bedroom
Everything is wrong
It rains when you're here
And it rains when you're gone
I was there when you said forever and always

And I stare at the phone
He still hasn't called
And then you feel so low
You can't feel nothing at all
And you flashback to
When we said forever and always
Cause it rains in your bedroom
Everything is wrong
It rains when you're here
And it rains when you're gone
I was there when you said forever and always

You didn't mean it baby
You said forever and always, yeah
