I was born in the arms of imaginary friends  
Free to roam, made a home out of everywhere I've been  
Then you come crashing in  
Like the realest thing  
Trying my best to understand  
All that your love can bring

Oh, half of my heart's got a grip on the situation  
Half of my heart takes time  
Half of my heart's got a right mind to tell you that I can't keep loving you (can't keep loving you)  
Oh with half of my heart

I was made to believe  
I'd never love somebody else  
Made a plan, stay the man who can only love himself  
Lonely was the song I sang  
'Till the day you came  
Showing me another way  
And all that my love can bring

Oh, half of my heart's got a grip on the situation  
Half of my heart takes time  
Half of my heart's got a right mind to tell you that I can't keep loving you (can't keep loving you)  
Oh with half of my heart, with half of my heart

Your faith is strong but I can only fall short for so long  
Down the road, later on  
You will hate that I never gave more to you than half of my heart  
But I can't stop loving you  
I can't stop loving you  
I can't stop loving you  
I can't stop loving you with half of my

Half of my heart  
Oh half of my heart

Half of my heart's got a real good imagination, half of my heart's got you  
Half of my heart's got a right mind to tell you that half of my heart won't do  
Half of my heart is a shot gun wedding to a bride with a paper ring  
And half of my heart is the part of a man who's never truly loved anything  
Half of my heart, oh half of my heart  
Half of my heart, Oh half of my heart
