You and I walk a fragile line  
I have known it all this time  
But I never thought I'd live to see it break

It's getting dark  
And it's all too quiet  
And I can't trust anything now  
And it's coming over you  
Like it's all a big mistake

Oh holding my breath  
Won't lose you again  
Something's made your  
Eyes go cold

Come on, come on  
Don't leave me like this  
I thought I had you figured out  
Something's gone terribly wrong  
You're all I wanted

Come on, come on  
Don't leave me like this  
I thought I had you figured out  
Can't breathe whenever you're gone  
Can't turn back  
Now I'm haunted

Stood there and watched you walk away  
From everything we had  
But I still mean every word I said  
To you

He will try to take away my pain  
And he just might make me smile  
But the whole time I'm wishing he was you  
Instead

Oh oh holding my breath  
Won't see you again

Something keeps me

Holding onto nothing

Come on, come on  
Don't leave me like this  
I thought I had you figured out  
Something's gone terribly wrong  
You're all I wanted

Come on, come on  
Don't leave me like this  
I thought I had you figured out  
Can't breathe whenever you're gone  
Can't turn back  
Now I'm haunted

I know  
I know  
I just know  
You're not gone  
You can't be gone  
No

Come on, come on  
Don't leave me like this  
I thought I had you figured out  
Something's gone terribly wrong  
Won't finish what you started

Come on, come on  
Don't leave me like this  
I thought I had you figured out  
Can't breathe whenever you're gone  
Can't go back  
I'm haunted

Oh oh oh oh oh oh oh oh

You and I walk a fragile line  
I have known it all this time  
Never ever thought I'd see it break  
Never thought I'd see it
