I think of you every single evening
As I lay awake at night.
I try to think; try to walk away with you...me in
And I say:

Chorus:

Honey baby don't do anything crazy around us,
Say that everything will be fine!
Oh, honey baby, oh,
How can you blame me,
When I say I wanna make you mine?
Cause everybody else in the world is driving me crazy,
Except you, honey baby!
Oh!

Flying high, I can see his smiling,
As we walk down by the drives.
Take my hand, take my breath away,
Cause you make me feel like flying!

Chorus:

Honey baby don't do anything crazy around us,
Say that everything will be fine!

Oh, honey baby, oh,
How can you blame me,
When I say I wanna make you mine?
Cause everybody else in the world is driving me crazy,
Except you, honey baby!
Oh!

Oh, you are everything I'll ever need
Oh, you are everything I wanna be!
Drive me crazy, have me baby,
All I really wanna say is:

Chorus:

Honey baby don't do anything crazy around us,
Say that everything will be fine!
Oh, honey baby, oh,
How can you blame me,
When I say I wanna make you mine?

Cause everybody else in the world is driving me crazy,
Oh, except you, honey baby!
