Last night I heard my own heart beating  
Sounded like footsteps on my stairs  
Six months gone and I'm still reaching  
Even though I know you're not there  
I was playing back a thousand memories baby  
Thinkin' bout everything we've been through  
Maybe I've been going back too much lately  
When time stood still and I had you

Come back come back come back to me like  
You would you would if this was a movie  
Stand in the rain outside til I came out  
Come back come back come back to me like  
You could you could if you just said you're sorry  
I know that we can work it out somehow  
But if this was a movie you'd be here by now

I know people change and these things happen  
But I remember how it was back then  
Locked up in your arms and our friends are laughing  
Cause nothing like this ever happened to them  
Now I'm pacing down the hall  
Chasing down your street  
Flashback to the night when you said to me  
Nothings gonna change not for me and you  
Not before I knew how much I had to lose

Come back come back come back to me like  
You would you would if this was a movie  
Stand in the rain outside til I came out

Come back come back come back to me like  
You could you could if you just said you're sorry  
I know that we can work it out somehow  
But if this was a movie you'd be here by now

If you're out there if you're somewhere if you're moving  
on  
I've be waiting for you ever since you've been gone  
I just want it back the way it was before  
And I just wanna see you back at my front door  
And I'd say

Come back come back come back to me like  
You would before you said its not that easy  
Before the fight before i locked you out  
But i'd take it all back now

Come back come back come back to me like  
You would you would if this was a movie  
Stand in the rain outside til i came out  
Come back come back come back to me like  
You could you could if you just said you're sorry  
I know that we could work it out somehow  
But if this was a movie you'd be here by now

You'd be here by now  
It's not the kind of ending you wanna see now  
Baby what about the ending  
Oh i thought you'd be here by now oh ohh ohh ohh  
That you'd be here by now
