We were both young when i first saw you  
I close my eyes  
and the flashback starts  
I'm standing there  
on a balcony in summer air

See the lights,  
See the party the ball gowns  
I see you make your way through the crowd  
and say hello  
little did I know

That you were romeo you were throwing pebbles  
and my daddy said stay away from juliet  
and I was crying on the staircase  
begging you please don't go, and I said

Romeo take me somewhere we can be alone  
I'll be waiting all theres left to do is run  
you'll be the prince and i'll be the princess  
its a love story baby just say yes

so i sneak out to the garden to see you  
we keep quiet because we're dead if they know  
so close your eyes  
lets escape this town for a little while  
cause you were romeo i was a scarlet letter  
and my daddy said stay away from juliet  
but you were everything to me  
and i was begging you please don't go and i said

romeo take me somewhere we can be alone  
i'll be waiting all theres left to do is run  
you be the prince and i'll be the princess  
its a love story baby just say yes

romeo save me, they try to tell me how to feel  
this love is difficult, but its real  
don't be afraid we'll make it out of this mess  
its a love story baby just say yes,

Oh, oh

I got tired of waiting  
wondering if you were ever coming around  
my faith in you was fading  
when i met you on the outskirts of town, and I said

romeo save me i've been feeling so alone  
i keep waiting for you but you never come  
is this in my head, i don't know what to think  
he knelt to the ground and pulled out a ring and said

marry me juliet you'll never have to be alone  
i love you and thats all I really know  
i talked to your dad go pick out a white dress  
its a love story baby just say yes  
oh, oh,  
we were both young when i first saw you
