There's a little girl  
In this little town  
With a little too much heart  
To go around  
Live forever,  
Never say never  
You can do better,  
That's what she says

Mama named her Lucky  
On a starlight night  
A rabbit foot in her pocket,  
She dances in spite of  
The fact that she's different  
And yet she's the same  
And she says do do do do do do  
Do do do do do do do do  
Do do do do do do do do  
Lucky you, lucky you  
Do do do do do do do do

She sings her little songs  
She walks a long a little  
Halfway headed for the skies  
Left to travel,  
Lives they unravel  
Mind over matter,  
That's what she says

Mama named her Lucky  
On a starlit night  
A rabbit foot in her pocket,  
She dances in spite of  
The fact that she's different  
And yet she's the same  
And she says do do do do  
Do do do do do do do do  
Do do do do do do do do do do do  
Lucky you, lucky you, lucky you  
Do do do do do do do do do  
Do do do do do do do do do do

Maybe she'll sing you do do do  
Maybe she'll bring you  
Into the skies  
Honey, she'll love you  
Funny how some view  
Angels above you,  
Aint so far away.

Mama named her Lucky  
On a starlit night  
A rabbit foot in her pocket,  
She dances in spite of  
The fact that she's different  
And yet she's the same  
And she says do do do do  
Do do do do do do do do  
Do do do do do do do do do do  
Lucky you, lucky you
