You, with your words like knives
And swords and weapons that you use against me
You, have knocked me off my feet again
Got me feeling like a nothing

You, with your voice like nails on a chalk board
Calling me out when I'm wounded
You, picking on the weaker man
You can take me down with just one single blow

But you don't know
What you don't know

Someday I'll be living in a big old city
And all you're ever gonna be is mean
Someday I'll be big enough so you can't hit me
And all you're ever gonna be is mean
Why you gotta be so mean?

You, with your switching sides
And your wildfire lies and your humiliation
You, have pointed out my flaws again
As if I don't already see them

I walk with my head down
Trying to block you out
'Cause I never impress you
I just want to feel okay again

I bet you got pushed around
Somebody made you cold
But the cycle ends right now
'Cause you can't lead me down that road

And you don't know
What you don't know

Someday I'll be living in a big old city
And all you're ever gonna be is mean
Someday I'll be big enough so you can't hit me
And all you're ever gonna be is mean
Why you gotta be so mean?

And I can see you years from now in a bar
Talking over a football game
With that same big loud opinion
But nobody's listening

Washed up and ranting
About the same old bitter things
Drunk and grumbling on about
How I can't sing

But all you are is mean
All you are is mean
And a liar, and pathetic, and alone in life
And mean, and mean, and mean, and mean

But someday I'll be living in a big old city
And all you're ever gonna be is mean, yeah...
Someday I'll be big enough so you can't hit me
And all you're ever gonna be is mean
Why you gotta be so mean?

Someday I'll be living in a big old city
And all you're ever gonna be is mean
Someday I'll be big enough so you can't hit me
And all you're ever gonna be is mean
Why you gotta be so mean?
