Everytime
I think of you
I always catch
My breath
I'm still
Standing here
And your miles away
And I wonder why
You left me
And there's a storm
That's raging through
My frozen heart tonight

Tyler:
I hear your name
In certain circles
And it always
Makes me smile
I spent my time
Just thinkin'
About you
And it's almost
Driving me wild

But it's my heart
That's beggin down
This long distance
Line tonight

Taylor/Tyler:
And I
Ain't missin' you
At all
Since you've
Been gone away
I ain't missin' you
No matter
What I might say

Tyler:
There's a message
In the wires

And I am sendin' you
A signal tonight
You don't know
How desperate
I've become
And It looks
Like I'm loosein'
This fight

But it's my heart
That's breakin' down
This long dusty
Road of mine

But I ain't
Missin' you
At all
Since you've
Been gone away
I aint missin' you at
No matter
What my friends say

Taylor:
And there's a message
That I'm sendin' out
Like a telograph
To you or something
I can't bridge
This distance
Honey
Stop this heart
Ache all alone

Taylor/Tyler:
I ain't missin' you
At all
Since you've
Been gone away
I ain't missin' you
No matter
What my friends say
I ain't missin' you
Since you've
Been gone away
I ain't missin' you
Yeah, no matter
What your friends say

Hey, yeah
Yeah, yeah, yeah

I ain't missin' you
At all
Since you've
Been gone away
I ain't missin' you
Nooo
