I like glitter and sparkly dresses  
But I'm not gonna talk about that  
In my monologue  
I like baking and things that smell like winter  
But I'm not gonna talk about that  
In my monologue

La la la,  
La la la

I like writing songs about douch-bags who cheat on me  
But I'm not gonna say that  
In my monologue  
I like writing their names into songs  
So that they're ashamed to go in public  
But I'm not gonna say that  
In my monologue

La la,  
La la la la la  
This is my musical monologue!

You might think I'd bring up Joe  
That guy who broke up with me on the phone  
But I'm not gonna mention him \*rolls eyes\*  
In my monologue  
[Spoken:]  
Hey Joe, I'm doing real well  
Tonight I'm hosting SNL  
[Sings:]  
But I'm not gonna write about that  
In my monologue

La la la, ha ha ha  
Ha ha ha, ha ha ha, la la la

And if you're wondering if I might  
Be dating the werewolf from Twilight  
[mouths: "Hi Taylor!" giving a little wave and blows a  
kiss into the camera and a wink]  
I'm not gonna comment on that  
In my monologue

La la,  
La la la la la  
This is my musical monologue

[looks around]

You might be expecting me to say  
Something bad about Kanye  
And how he ran up on the stage  
And ruined my VMA monologue  
[Breathes and sighs...smiles]

But there's nothing more to say  
Cause every thing's okay  
I've got security lining the stage

It's my SNL monologue  
La la,  
La la la la la  
This is my SNL monologue

La la,  
La la la la la  
That was my SNL monologue
