## "Never Grow Up"

You're little hands wrapped around my finger  
And, it's so quiet in the world tonight  
You're little eyelids flutter cause you're dreaming  
So, I took you in  
Turn on your favorite night light  
To you, everything's funny  
You got nothing to regret  
I'd give all I had, honey  
If you could stay like that

Oh, darling don't you ever grow up  
Don't you ever grow up  
Just stay this little  
Oh, darling don't you ever grow up  
Don't you ever grow up  
It can stay this simple

I won't let nobody hurt you, won't let no one break your  
heart  
And no one will desert you  
Just try to never grow up, and never grow up

You're in the car on the way to the movies  
And, you're mortified  
You're mom's dropping you off  
At, fourteen there's just so much you can't do  
And you can't wait to move out someday and call your  
own shots  
But, don't make her drop you off around the block  
Remember that she's getting older too  
And don't lose the way that you dance around in your  
PJ's getting ready for school

Oh, darling don't you ever grow up  
Don't you ever grow up  
Just stay this little  
Oh, darling don't you ever grow up  
Don't you ever grow up  
It can stay this simple

And no one's ever burned you  
Nothing's ever left you scarred

And even though you want to  
Just try to never grow up  
Take pictures in your mind of your childhood room  
Memorize what it sounded like when your dad get's  
home  
Remember the footsteps, remember the words said  
And all you're little brothers favorite songs  
I just realized everything I had is someday gonna be  
gone

So, here I am in my new apartment  
In a big city, they just dropped me off  
It's so much colder than I thought it would be  
So, I tucked myself in and turned my night light on  
Wish I'd never grown up  
I wish I'd never grown up

Oh, I don't wanna grow up  
Wish I'd never grown up  
Could still be little  
Oh, I don't wanna grow up  
Wish I'd never grown up  
It could still be simple

Oh, darling don't you ever grow up  
Don't you ever grow up  
Just stay this little  
Oh, darling don't you ever grow up  
Don't you ever grow up  
It can stay this simple

I won't let nobody hurt you  
Won't let no one break your heart  
And even you want to  
Please, try to never grow up

Oh, whoa  
Don't you ever grow up  
Oh, whoa  
Never grow up  
Just never grow up
