Friday night beneath the stars
In a field behind your yard
You and I are painting pictures in the sky

But sometimes we don't say a thing
Just listen to the crickets sing
Everything I need

And I know everything about you
I don't wanna live without you

And I'm only up when you're not down
Don't wanna fly if you're still on the ground
It's like no matter what I do
Well it drives me crazy half the time
The other half I'm only trying to let you know
That what I feel is true
And I'm only me when I'm with you

Just a small town boy and girl
Living in a crazy world
Trying to figure out what is and isn't true

And I don't try to hide my tears
My secrets or my deepest fears
Through it all nobody gets me like you do

And you know everything thing about me
You say that you can't live without me

And I'm only up when you're not down
Don't wanna fly if you're still on the ground
It's like no matter what I do
Well it drives me crazy half the time
The other half I'm only trying to let you know
That what I feel is true
And I'm only me when I'm with you

When I'm with anybody else
It's so hard to be myself
And only you can't tell

And I'm only up when you're not down
Don't wanna fly if you're still on the ground
It's like no matter what I do
Well it drives me crazy half the time
The other half I'm only trying to let you know
That what I feel is true
And I'm only me when I'm with you

With you
Oh oh oh
Yeah
