Other side of the door
Taylor Swift lyrics
In the heat of the fight
I walked away
Ignoring words that you saying
Trying to make me stay
I said this time
Iâ€™ve had enough
And youâ€™ve called a hundred times
But Iâ€™m not picking up
Cause Iâ€™m so mad, I might tell you
That itâ€™s over
But if you look a little closer

Iâ€™ll still leave, but all I really want is you
To stand outside my window
Throwing pebbles screaming, â€œIâ€™m in love with youâ€
Wait there in the pouring rain
Come back for more
And donâ€™t you leave cause I know all I need is
on the other side of the door

Me and my stupid pride
Are sitting here a lone
Going through the photographs
Starring at the phone
I keep going back over the things we both said
And I remember the slamming door
And all the things that I misread
So baby you know everything
Tell me why you couldnâ€™t see
When I left I wanted you to chase after me
Yeah

Iâ€™ll still leave, but all I really want is you
To stand outside my window
Throwing pebbles screaming, â€œIâ€™m in love with youâ€
Wait there in the pouring rain
Come back for more
And donâ€™t you leave cause I know all I need is
on the other side of the door

And I scream out the window
I can't even look at you
I don't need you but I do, I do, I do
See there's nothing you can say
To make this right again
I mean it , I mean it
What I mean is,

I'll still leave, but all I really want is you
To stand outside my window
Throwing pebbles screaming, "I'm in love with you"
Wait there in the pouring rain
Come back for more
And don't you leave cause I know all I need is
on the other side of the door

With your bass and your beautiful eyes
The conversations with the little white lies
And the faded picture of a beautiful night
You carried me from your car up the stairs
And I broke down crying
Was she worth this mess?
After everything and that little black dress
After everything I must confess
I need you.
